ACTIVITY PROGRAM

25X1A

IDEALIST-64-6Project Officer: **[REDACTED]****Extention 3705**

25X1A

1. Purpose: This project has as its objective the procurement of two 14 foot trailers for Detachment G to be used to transport the "B" cameras. Sole source is **[REDACTED]** When

trailers are procured, air conditioning and work benches will be installed to provide essential temperature control and the capability to work on and make last minute adjustments to units within a controlled dustproof and air conditioned area. Trailers are designed for airlift, can be towed by a jeep or similar vehicle, and will greatly enhance the detachment capability particularly during deployments.

2. Description of work or service required: Procurement of two basic trailers.

3. Expected additional or related work: Installation of air conditioner and work benches will be accomplished by the Detachment and is not included in the price of the trailers.

4. <u>Pending:</u> Funds expended to date	0
Funds required	<u>\$7000.00</u>
TOTAL	\$7000.00
